

ALL SORTS AMONG HUNGER STRIKERS

Here Youths and Men With Families Risk Lives for Ireland

[By Associated Press].
CORK, Sept. 25.—Among the 11 hunger strikers in jail here are two brothers, John and Peter Crowley, of Ballylanders. Winick, while another brother is hunger-striking in Winchester jail, England. Their father, aged 85, has just been arrested also and brought to Cork. Their home was also burned recently after a raid had been made upon it.

This family rents automobiles which the military officials assert were used for Sinn Fein activities. In the present one of their automobiles is missing and the father was informed that unless he revealed its whereabouts he would be arrested. "I knew I would not tell you," he is reported to have replied. Consequently he was arrested. Two other prisoners from Ballylanders, Michael O'Reilly and Christopher O'Leary, were arrested on July 16 when shots were exchanged there between the police and volunteers.

Kenney, one of the hunger strikers who is stated to be suffering severely, was attending an Irish college at Ballingarry a month ago when a motor lorry was held up there and burned after its occupants had been disarmed. Michael Burke, of Folkestone, England, was arrested in connection with a raid there told Deputy Mayor O'Callaghan that he suffered severely from headaches which he attributed to a beating by an officer with his fists and a rifle after his arrest. Another young hunger-striking prisoner, John Power, aged 19, of Cahal Tipperary, was arrested at the village of Rosegreen, as a suspected Irish republican soldier as was also Joseph Kenney, of Greagh, County Cork.

Kenney lived many years in Montana. He has seven children the last being born a few days ago. Another hunger-striker, Joseph Murphy, a Cork lad who was arrested in connection with a raid on his house at which the police are reported to have found a part of a bomb and an incriminating document.

Operation Not Successful

"Six years ago I was operated on for appendicitis and later operated on again for gall stones. Neither did me any good and I suffered all kinds of torture since. All stomach ailments should take it." It is a simple, harmless operation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. YANKEE PROMINENT IN MOSCOW CONFAB

John Reed Spoke in Behalf of the American Communists

[By Associated Press].
LONDON, Sept. 25.—John Reed, American bolshevik, writer and the first agent the Reds attempted to establish in America, took a prominent part in the activities of the "Third Communist International" held in Moscow in July. The Associated Press correspondent who recently crossed Russia talked to Reed at the Bolshevik foreign office in Moscow the day before the sessions began. Reed stated that he was one of the

first accredited American delegates to the "Third Internationale." (It has been stated that Reed was elected by Russians in Moscow to "represent American communists in that convention.")

During the first session Reed made a speech as a representative of the American communist party. He told of the work of the communists in America and of what he considered the wrongs in the American system of government.

Early this year Reed attempted to return to the United States, but was arrested by Finnish authorities as a bolshevik agent, and was confined in prison in Finland for three months. He had attempted to travel through Finland on season's papers, but a forged American passport which he carried, evidently for emergency use, gave him away. Diamonds valued at \$80,000 which Reed carried were confiscated by the Finnish government. After the prison term he was deported to Russia.

Society Brand Clothes

FOR YOUNG MEN AND MEN WHO STAY YOUNG

To the man who is worried about the cost of clothing

The cost of clothing is in the materials and in the labor.

The labor costs practically the same to all clothing manufacturers.

The cloth in a suit of clothes will average 3 1/3 yards.

To make cheaper clothes one must either use less labor—do fewer things that ought to be done—or use cheaper materials.

To reduce the labor cost by reducing hand-tailoring damages fit, finish and durability. To reduce the cost of materials (only 3 1/3 yards to a suit) must mean

a big loss of quality if any noticeable reduction is made.

Society Brand Clothes are designed and tailored for men who have the good clothes habit; for men who want up-to-the-minute styles always in good taste and so well made up they will stay that way.

They have never been cheap clothes.

They are not cheap clothes now.

They are not to be compared with cheap clothes.

The man who buys Society Brand Clothes need not worry about style, tailoring or quality of the all-wool fabric.
